4. Retain copy of signed warranty statement with the purchaser's file.

Note to Purchaser: If prescribed by the law of your state, your signature in the space provided below is for product registration purposes and failure to sign below will not diminish your warranty rights under this Limited Warranty.

IDENTITY OF WARRANTOR.

This Limited Warranty is provided by manufacturer White River Marine Group, LLC ("WRMG") on your RANGER® fiberglass boat purchased from an authorized RANGER® boat dealer ("Dealer"), subject to the terms and conditions set forth below. (i) Fiberglass molded shell and integral structure within that shell, including stringers, floorboards, transom, and related structural reinforcements, all of which are below the hull flange (i.e., gunwale).

B. For three (3) years from the original date of purchase from a Dealer: Parts and labor for defects in materials and workmanship as to the following non-structural parts and components (subject to normal recommended usage and maintenance):

(i) Carpet fade;
(ii) Steering helm, cylinder, hoses and cables;
(iii) Aeration pumps, valves and timers;
(iv) Bilge pump;
(v) Fiberglass boat electrical system;
(vi) Seat pedestals;
(vii) Fueltanks;
(viii) Deck hardware such as locks, cleats and fasteners; and
(ix) Factory installed battery charger(s).

The Limited Warranty period runs for one (1) year from the original date of purchase from a Dealer for the remaining non-structural parts and components.

C. For one (1) year from the original date of purchase from a Dealer: Parts and labor for defects in materials and workmanship solely as to the following items:

(i) Exterior cosmetic gel coat finish; involving cracking, crazing, and fading of the fiberglass boat's exterior cosmetic gel coat.

WHO MAY ENFORCE THIS WARRANTY?

Except as set forth below, this Limited Warranty is extended only to the original retail purchaser, and only if the original purchaser has signed this warranty in the space provided below when the boat is purchased through a Dealer (unless such signature requirement is prohibited by the law of the original retail purchaser's state).
